Thank you for choosing BHBB as your consignment store. We take great pride in our store and our commitment to excellence when serving our consignors and customers.

Store Policies

1. BHBB accepts like new clothing from selective stores. Items must be clean, in style, and on hangers. We do not accept discount store brands.
2. We are an alternative to yard sales. Please do not use our service as a last resort before a thrift store. Our successful consignors bring clothing before not after a yard sale.
3. Acceptance and pricing shall be at the discretion of BHBB whose decisions are final including necessary reductions in price.
4. The consignor is to receive 50% of the selling price.
5. There are no pick-up dates or cut off dates for your clothing. We keep your clothing until it sells.
6. BHBB reserves the right to dispose of, without liability, any items deemed unsellable. Some examples are stains, broken zippers, moth holes, and out of style clothing.
7. We are not responsible for loss or damage for any reason. All items are left at the owner's risk.
8. Payment on sold items may be picked up in store by the consignor. Due to the large number of consignors we recommend checking your account once a month. Money for sold clothing stays in the account for 1 year. Money not picked up after 1 year will be considered abandoned by the consignor and will become property of BHBB.

By signing below, I have read and understand the above policies and I agree to comply with them.
