BHBB offers our consigners over 25 years of experience in the business. We also have the newest and largest clothing consignment store in Bowling Green. Your good quality clothing will sell for more at BHBB!

How to turn unwanted clothing items into quick cash:

1. Go through your closets! Make a stack to consign and a donate stack. All consigned items must be clean, in style and like new condition. All items including shorts and sweaters must be on a hanger that you do not want back (one item per hanger). If you don't have hangers to spare, come in to the store and ask for them. We would be happy to provide you with some!
2. No items will be accepted with stains, rips, missing buttons, or any unpleasant odors like cigarette smoke, moth balls, mildew, etc.
3. All items are accepted by appointment only Monday through Saturday from 10:00 am – 5:00 pm. Please call 270-843-3756 to make an appointment.
4. You must have a minimum of 20 acceptable items to open a new account. We recommend that you bring more than 20 items as we are very brand selective. There is no limit as to how many pieces you bring.
5. We accept all seasons of clothing all the time. Out of season items will be stored and sold during the appropriate season.
6. We sell women's waist sizes from 0-20 and men's waist sizes from 28-40. We also sell shirt sizes from Small to XXL.
7. Please understand styles can change and not all items you bring in will be accepted. Items we consider to be slow selling will not be taken to consign.
8. We also accept items listed below:
 - a. Designer leather or name brand purses
 - b. Women's leather or name brand shoes showing no visible wear.
 - c. Better costume jewelry, sterling silver, 14k gold, and diamonds
 - d. Short or long mink coats

For any further questions please contact a sales associate at 270-843-3756.

Please note that after establishing an account with us, you will still need to call to make appointments to bring in clothes to consign.
